Petition to save the Blue Mountain – Birch Cove Lakes wilderness area

Whereas the Blue Mountain – Birch Cove Lakes wilderness area is an ecological jewel located next to the fastest growing communities in Nova Scotia;

Whereas these lands are important to the residents of Halifax Regional Municipality for recreation, outdoor education, and traditional uses; and

Whereas this area is under immediate threat from suburban sprawl and road construction;

We the undersigned, call on the Premier of Nova Scotia to immediately designate, in its entirety, the spectacular forests, wetlands, and lakes of the publicly-owned Blue Mountain/Birch Cove Lakes region as an officially designated protected wilderness area for the benefit and enjoyment of present and future generations of Nova Scotians.
